

DOT Digital oven thermometer

termometro para horno de cocina

The **DOT Digital Thermometer** is designed for roasting and BBQ, displaying the **current and alarm temperature** on its **large backlit LCD display**.

Set the desired temperature, insert the **penetration probe** (114 mm with a 1.2 m braided lead), and a **70dB audible alarm** with a flashing display alerts you when reached.

Its **durable, water-resistant casing** features **magnetic pads** for attaching to ovens or BBQs and a **foldaway stand** for countertops, ideal for professional kitchens.

Probe included
(Ø3.5x114mm)

Application: hospitality,
cooking, ovens.
